Gender: The Basics

Hilary Lips

Gender: The Basics Hilary Lips

Gender: The Basics is an engaging introduction which examines the impact of cultural, historical, biological, psychological and economic forces on qualities which have come to be defined as masculine or feminine. Highlighting that there is far more to gender than biological sex, it takes a global perspective to examine the interaction between gender and a wide range of topics including:

- Relationships, intimacy and concepts of sexuality
- The workplace and labour markets
- Gender related violence and war
- Public health, poverty and development
- The ageing process

Supporting theory with examples and case studies from a variety of contexts, suggestions for further reading and a detailed glossary, this text is an essential read for anyone approaching the study of gender for the first time.

From reader reviews:

Linda Enders:

With other case, little persons like to read book Gender: The Basics. You can choose the best book if you appreciate reading a book. So long as we know about how is important any book Gender: The Basics. You can add knowledge and of course you can around the world by way of a book. Absolutely right, mainly because from book you can realize everything! From your country until finally foreign or abroad you will find yourself known. About simple factor until wonderful thing you are able to know that. In this era, we can easily open a book or maybe searching by internet system. It is called e-book. You need to use it when you feel weary to go to the library. Let's go through.

Marlon Duenas:

Book is written, printed, or created for everything. You can learn everything you want by a reserve. Book has a different type. As we know that book is important issue to bring us around the world. Close to that you can your reading talent was fluently. A book Gender: The Basics will make you to become smarter. You can feel far more confidence if you can know about anything. But some of you think in which open or reading a new book make you bored. It isn't make you fun. Why they may be thought like that? Have you seeking best book or ideal book with you?

Robert Burke:

Is it anyone who having spare time then spend it whole day simply by watching television programs or just lying on the bed? Do you need something totally new? This Gender: The Basics can be the reply, oh how comes? A fresh book you know. You are and so out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these books have than the others?

Karen Martinez:

What is your hobby? Have you heard in which question when you got learners? We believe that that question was given by teacher to their students. Many kinds of hobby, Everybody has different hobby. So you know that little person just like reading or as reading through become their hobby. You should know that reading is very important along with book as to be the point. Book is important thing to provide you knowledge, except your own personal teacher or lecturer. You get good news or update in relation to something by book. A substantial number of sorts of books that can you choose to use be your object. One of them are these claims Gender: The Basics.
