Night

Elie Wiesel

Night Elie Wiesel

Awarded the Nobel Peace Prize and the Congressional Gold Medal, Holocaust survivor Elie Wiesel offers an unforgettable account of Hitler's horrific reign of terror in *Night*. This definitive edition features a new translation from the original French by Wiesel's wife and frequent translator, Marion Wiesel.

Night is an unmistakably autobiographical account of the author's own gruesome experiences in Nazi Germany's death camps. Told through the eyes of 14-year-old Eliezer, the tragic fate of the Jews from the little town of Sighet unfolds with a heart-wrenching inevitability. Even as they are stuffed into cattle cars bound for Auschwitz, the townspeople refuse to believe rumors of anti-Semitic atrocities. Not until they are marched toward the blazing crematory at the camp's "reception center" does the terrible truth sink in.

Recounting the evils at Auschwitz and Buchenwald, Wiesel's enduring classic of Holocaust literature raises questions of continuing significance for all future generations: How could man commit these horrors, and could such an evil ever be repeated?

From reader reviews:

Stevie Mozingo:

What do you with regards to book? It is not important along? Or just adding material when you require something to explain what your own problem? How about your extra time? Or are you busy individual? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have extra time? What did you do? Everyone has many questions above. They need to answer that question mainly because just their can do in which. It said that about guide. Book is familiar in each person. Yes, it is proper. Because start from on jardín de infancia until university need this Night to read.

Troy Ethridge:

Your reading 6th sense will not betray you, why because this Night e-book written by well-known writer who really knows well how to make book which might be understand by anyone who read the book. Written inside good manner for you, dripping every ideas and publishing skill only for eliminate your own hunger then you still hesitation Night as good book not just by the cover but also by content. This is one publication that can break don't ascertain book by its handle, so do you still needing a different sixth sense to pick this specific!?! Oh come on your looking at sixth sense already said so why you have to listening to a different sixth sense.

Bruce Benedict:

This Night is great book for you because the content which can be full of information for you who always deal with world and still have to make decision every minute. This particular book reveal it data accurately using great organize word or we can say no rambling sentences in it. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but hard core information with attractive delivering sentences. Having Night in your hand like finding the world in your arm, details in it is not ridiculous just one. We can say that no publication that offer you world in ten or fifteen small right but this guide already do that. So , this is certainly good reading book. Hey Mr. and Mrs. busy do you still doubt in which?

Joseph Lee:

You could spend your free time you just read this book this book. This Night is simple to create you can read it in the park your car, in the beach, train and also soon. If you did not get much space to bring the actual printed book, you can buy often the e-book. It is make you much easier to read it. You can save the book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.
