Radiant Angel: by Nelson DeMille (John Corey Book 7) | Summary & Analysis

This is a Summary & Analysis of Radiant Angel. Nelson DeMille continues the adventures of John Corey as he works on a surveillance case. Offering tense, high-stakes action, intrigue and the threat of domestic discord, the novel takes readers on an energetic romp around a not-long-ago Long Island that faces a nightmarish threat – and does not know it. Long-time DeMille readers will be pleased with what they find between the covers, and new readers will have no trouble following events as they unfold.

DeMille's latest instalment, follows John Corey as he conducts surveillance on a Russian operative posing as a United Nations dignitary. It soon becomes clear that the operative is on a mission to destroy New York City, causing an immense financial catastrophe and crippling blow to the United States, and that the operative will do so in a way that deflects attention away from Russia in the hopes of causing an international crisis that will leave Russia as the only power of note on the planet. Through no small amount of luck, careful maneuvering and a particular disregard for the rules, Corey and his companions manage to thwart the nefarious scheme, ensuring that Manhattan can continue to serve as a symbol of American strength, rather than a permanent mark of American tragedy.

This companion to Radiant Angel also includes the following:

- Book Review
- Story Setting Analysis
- Story elements you may have missed as we decipher DeMille's novel
- Details of Characters & Key Character Analysis
- Summary of the text, with some analytical comments interspersed
