The 99 Name of Allah: Expansions Special Edition 5 (Volume 5) Fode Drame

Each name of God is like a rope, with one end in the Hands of God and the other end in the hands of man. Man calls God through His names and God responds to man through His names as well. In this manner a perfect communication will eventually be established between man and the Divine. This volume of the Expansions series discusses the names of God, understanding them as a key component in man's relationship with God, the source of life and light.
