## The Treasure Hunt Book (Klutz)

Congratulations! You've just found the world's first set of pre-printed, ready-to-go treasure hunts - an incredibly rich trove of real kid fun, no adults required. The basic idea is easy. You, the hunt organizer, choose a hunt and tear out its set of perforated clues. On the back of each clue you'll find instructions for exactly where to hide it. Once the clues are all hidden, hand the first clue to your hunters, and get out of the way. Your house is now Treasure Island. There are 12 different treasure hunts here, including hunts with riddle clues, word scrambles, hieroglyphics, rebuses, charades and secret codes - even a colour coded hunt for pre-readers. Each hunt is beautifully illustrated by a different artist, so these full-colour clues are worth finding - and keeping. Pockets inside the front and back cover store the clues so they can be used again. Keep in mind one surprising discovery we made while testing this book - it's not the treasure that matters but the thrill of the hunt.
