Why Vote Leave Daniel Hannan

'Confused about the EU referendum? In the dark about which way to vote? Daniel Hannan's invaluable vade mecum will illuminate the whole question, showing why voting to leave is a leap back into the light' Boris Johnson.

'Powerful, intelligent, hard-hitting, well-written ... absolutely required reading for every Briton who is considering voting on 23 June' Andrew Roberts.

MEP and award-winning political writer Daniel Hannan argues for a British exit ahead of the coming referendum.

Hannan demonstrates that the EU is past its sell-by date, rendered obsolete by technological advances, shrinking economically and less relevant to our economic needs than ever. Worse than that, he shows that the EU can't reform, can't be democratic and can't be divorced from its goal of ever-closer political union. Staying in does not mean staying the same and a vote to leave - far from being the risky choice - is actually the safe one.

Finally, Hannan argues that Britain doesn't have to stay in the EU to remain at the heart of Europe and considers the global role a confident nation freed from EU strictures could play.

'Before voting in this historic referendum you should read this brilliant book. If you've decided to vote Leave this will enthuse you, if you're not yet sure, it will convince you' Michael Gove.

'A 'must read' for anyone who is surprised that so many of us now want to leave the EU' Lord Owen.

'I defy anyone who is undecided on the EU to read this book and not be a convinced Leaver. The case against EU membership is not Left-wing or Right-wing: it's democratic. Daniel Hannan shows how bright the UK's future will be once we leave behind the corporatist racket in Brussels' Kate Hoey.

'The perfect book for someone who wants to hear a calm, clear set of reasons for leaving the EU' Baroness Jones.

'When it comes to the EU Dan Hannan has forgotten more than most people ever knew. He knows it from the inside, deep inside. He knows the venality, the incompetence, the bloated budgets and salaries, the many failures cynically covered up. He knows the staggering sums dragged from the pockets of the British taxpayer and the miserable return we get from them. The Brussels-worshipping brigade would be very wise not even to try to contest the points he makes in this book. For the rest of us it's an eye-opener' Frederick Forsyth.

'The case against the EU should be made in positive, optimistic and internationalist terms. Daniel Hannan has done us a favour by making the democratic and economic case for independence. If you're undecided, this book might surprise you.' Helena Morrissey.
